

Abstract Atelier – Studio Etiquette

Toms River Artist Community

To maintain a focused, respectful, and professional atelier environment, all students are expected to follow the studio guidelines below:

- Arrive on time and prepared with all required materials.
- Respect fellow artists' space, work, and creative process.
- Keep conversations constructive and art-focused during critique.
- Silence mobile devices during demonstrations and discussions.
- Clean your workspace thoroughly before leaving.
- Handle all materials and studio equipment responsibly.
- Do not photograph another student's work without permission.
- Be open to feedback and offer critiques respectfully.
- Maintain a safe environment when using tools, sprays, or solvents.
- Support a culture of experimentation without judgment.
- Leave the studio better than you found it.
